OPPORTUNITIES AVAILABLE

## Earn money at home while gaining experience

No experience required. Pay is determined by client's level of care and your experience. Host Home Provider (HHP) Pay ranges from \$1,800 to \$4,000 per month — tax free.

Support, Inc. is seeking independent Host Home Contractors to work with adults with developmental disabilities and behavioral challenges in your home. Applicants must be willing to support an individual with a variety of behaviors including verbal and physical aggression, elopement, self-injurious behavior and limited independent living skills.

### **Join our team of committed Behaviorists, Nurses and Social Work professionals!**

If you are training in the field of Psychology, Sociology, Social Work, Behavior Sciences or Nursing, this is a great way to gain real world experience. This opportunity will allow you to work with people with developmental disabilities in your home and in a community setting. You will work side-by-side with Master's and Ph.D.-level Behaviorists, Mental Health Professionals, Social Workers, Doctors and Nurses.

Host Home Providers are independent contractors who provide care in their own homes to the people they support. Depending on individual abilities, HHPs will assist with personal care, meal planning and preparation, medical appointments, community activities, safety skills, shopping and more. Some HHPs may continue to work or attend school full time or part time while their clients attend a day program or work in the community.

### **Requirements:**

- » Safe, stable and caring home environment
- » Available bedroom in your home
- » CBI background check
- » Valid driver's license and reliable vehicle to transport client
- » Passion for working with individuals with cognitive and behavioral challenges
- » Excellent communication skills

### **Not Required, but Desired Qualities:**

- » Experience, training and being skilled at working with individuals with difficult behaviors, emotional trauma and/or mental illness
- » Medical/clinical experience
- » Single male providers
- » Adults-only a plus
